South Side High School

Jackson, Tennessee
Volume XX

For the past two-hundred years the American people have accomplished many wonderful dreams and have also known some defeats. There is a teacher who has managed to accomplish some dreams of her own through teaching the people she loves. Because we want our American heritage to be passed on to future generations, we "The 1976 Hawk Staff" dedicate this annual to someone who captures the hearts of everyone with her esteeming personality . . .

Our Principal and County

*Best of Luck Always

Louis Only*

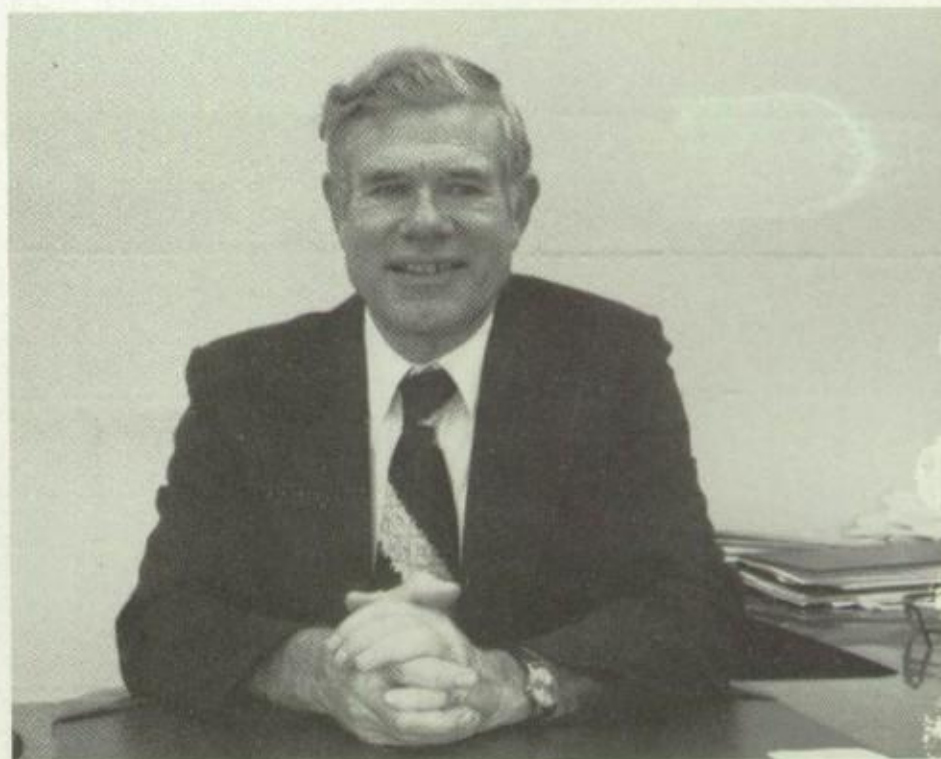

Being Principal of a High School isn't the most exciting job, but it is not the duller either. He arrives at school before the buses come rolling in and stays until all the buses are gone in the afternoon. However, his work doesn't stop then. Hours after school are spent smoothing snags that would disrupt the flow of our school days. He supports all school activities with enthusiasm and zeal. We certainly are proud of our principal here at South Side, Mr. Louis Only, who has been principal here for eleven years. We all would be pleased to see him stay another eleven years.

The 1974-75 Baseball team, under the direction of Coach Buddy Masess, was a team to take pride in. They were the first South Side team in eighteen years to win the District championship and advance to the Regionals. The students at South Side High are proud to be represented by such a diligent group of young athletes. Because of their hard work and determination, we now have a trophy on display in their honor.

The South Side Girls' Basketball team under the direction of Coach Maness, proved to be worthy of praise. The team, composed of members from all three classes, showed much devotion, and gave much hard work to basketball. All of the girls sacrificed a great deal to be on the team; but at the end of a successful season, there is a feeling of unity and pride in being a Hawkette.

Hawks

Are you ready guys?

This is no time to BUMP.

The South Side boys' basketball team under the direction of coach Bobby Wilson experienced a frustrating but rewarding season. The team, being composed mostly of Seniors, faced a rugged season with inexperienced players. Though starting slow, the boys shaped up into a well-balanced team. Lack of height as well as lack of a real scoring threat, however, proved to be a handicap when the Hawks faced the taller, more experienced opponents. South Side made up for it with the good spirit, hustle, and the fine sportsmanship that is always characteristic of South Side teams.

1975-1976 Cheerleaders

SENIORS: Julie Scarbrough, Gina Brown, Kriss Baker, and Penny Greer.

JUNIORS: Tina Rachels and Gina Allen.

When you hear the word "cheerleader" you automatically picture in your mind a cute, lively girl with an ever-present smile. All of these things are true. However, there is more to being a cheerleader than meets the eye. There are many long hours of practice in the hot summer sun at cheerleading camp. There is a devotion and a will to win even when it seems as though all the odds are against your team. We are privileged at South Side to have a group of young women athletes with all of these qualities - The 1976-76 Cheerleaders.

SOPHOMORES: Cindy Maroney and Susan Sanders.

The "'76 Hawk'" has been assembled and the 1975-'76 school year lived. We, the '76 Hawk Staff, tried to record the best memories and moments of this past school year. I hope this book will serve as a reminder of the history made by you, the student body and faculty, this year. For without your experiences and life at school, the "'76 Hawk'" would not be.

Serena Williams

Elaine,

Well were almost out of school. I will be glad I guess. But I sure will miss everyone. We have been through elementary school together & it was great fun. I wish you lots of luck in the future & in anything Elaine you may try for.

Elaine,

I have really gotten to know you this year. You are a really a sweet and nice person. I have more fun at the dumb questions you can ask. I believe you have learn too much from our certain talks. What about the Christmas Party your little gift. I let you have every pictures hanging on the wall. And what about the day we took club pictures when you were so upset. And all the certain clubs you made me draw the pages for. And all the little bits of gossip you bring in. And your favorite little topic SEX. I wish you and John all the best luck in the world.

It's been nice knowing you for all these years. Maybe we'll meet again (and see how many kids we have then). I hope you and John can solve things for the better. I haven't known anybody I could talk to like I could you, you've helped me alot this year and it has been very nice knowing you like you were my sister love ya.
Pat Wilson

Elaine,

I really don't know where to start because I have so much to say. Well, I guess I could start off by saying that you are one of the sweetest persons I have ever known. I have really gotten to become close friends with you. I have enjoyed every minute I am with you, because you are a person that everyone should get to know and be with. We have really had fun in lunch and Bookkeeping, especially the things we have talked about. Boy, we really had a time trying to get our problems to work out, too. I'll never forget those days you would tell us about these "QUEERS" that come in Gibson's, and the boys that would come in and ask you out. You are one person that has had more experience with boys than anybody I know. Maybe John isn't the guy you have been looking for, but I'm sure the one you have been waiting for will show up sometime. All I can say is TAKE CARE, GOOD LUCK, AND BEST WISHES to you and WHOEVER ALWAYS! Don't forget, YOU ARE A GREAT PERSON and one of my BEST FRIENDS ALWAYS! See you in Gibson's

THOUGHTS FROM GEORGE WASHINGTON

(First Annual Message to Congress,
January 8, 1790)

"Ladies in keep alive the pure blood that
little spark of colonial fire called for
ancestry."

(In Washington's early overland trail.)

I do acknowledge the United States
America, to be free, independent and
sovereign states, and declare that the peo-
ple thereof owe no allegiance or obedience
to George the Third, King of Great Bri-
tain, and I renounce, refuse and abjure any
allegiance to that King.

"Now, cherishing I do recommend and assign Thursday, the 14th day of November next to be observed by the People of these Colonies. . . . That we may thus all unite in rendering . . . our united and humble thanks."
